the qur'an a guidebook is an updated english version of the work appeared in italian rome 2021 leggere e studiare il corano which deals with the contents of the qur'an the style and formal features of the text the history and fixation of it and an outline of the reception in islamic literature the aim of the work is to give a reader a description of what he/she can find in the islamic holy text and the state of the critical debates on all the topics dealt with focusing mainly on the growing scholarly literature which appeared in the last 30 years as such the work is unique in combining the aim to give

comprehensive information on the topic and at the same time reconstruct the critical debate in a balanced outline also emphasizing confessional approaches and the dynamics in the study of the qur an there is nothing similar in contemporary scholarship and the book is a handbook for students and scholars of islam but also for readers in religious studies who need to know how the main questions related to the islamic text have been discussed in recent scholarship

i grew up reading the qur an on my mother s lap writes ziauddin sardar it s an experience i share with most muslim children and so it is that our connection to the qur an is infused with associations of the warmest and most enduring of human bonds in reading the qur an sardar one of europe s leading public intellectuals laments that for far too many muslims the qur an he had learned in his mother s lap has become a stick used for ensuring conformity and suppressing dissenting views indeed some find in the qur an justification for misogyny validation for hatred of others an obsession with dress and mindless ritual rules for running modern states arguing passionately but reasonably against these trends sardar speaks out for a more open less doctrinaire approach to reading the qur an he contends that the qur an is not fixed in stone for all time but a dynamic text which every generation must encounter anew and whose relevance and implications for our time we have yet to fully discover the words of the qur an imply movement the religious life it tells us is not about standing still but always striving to make our life our society the entire world around us a better place for everyone sardar explores the qur an from a variety of perspectives from traditional exegesis to hermeneutics critical theory and cultural analysis drawing fresh and contemporary lessons from the sacred text he also examines what the qur an says about such contemporary topics as power and politics rights of women suicide domestic violence sex homosexuality the veil freedom of expression and evolution ziauddin sardar opens a new window on this remarkable sacred text in a book that will engage all devout muslims and will interest anyone curious about the qur an and islam today

this edited volume aims to advance a muslim centered perspective on the study of islam in europe to do so it brings together a range of case studies that illustrate how european muslims engaged with their sacred scripture while being part of a christian dominated social and political space the research presented in this volume seeks to analyse muslims practices of translating interpreting and using the qur an as a sacred object and thus pursues three main research agendas part i focuses on the issues of muslim christian relations in europe and studies how these relations have

engendered discursive connections between muslim and christian produced texts related to the study and interpretation of the qur an part ii aims to bring scholarly attention to the under represented cases of muslim communities in europe this part introduces new research on polish belarusian daghestani bosnian and kazan tatars and examines local traditions of producing vernacular qur ans and commodification of qur anic manuscripts the final section of the volume part iii contributes to filling in the gaps related to the theoretical and conceptual framing of muslim translation activities the history of religious thought and practice in european history is in many ways still uncharted territory this book aims to contribute to a better understanding of the cultural history of the qur an and muslim agency in interpreting transmitting and translating the sacred scripture
